

Audi FIS Ski World Cup St. Moritz Accreditation Guidelines

The Organizing Committee of the Ski World Cup St. Moritz is happy to welcome you again this year. Due to the Covid-19 pandemic, strict protection and safety measures are in place for both Super-G races. These measures that have to be observed at all times.

Full details of the safety concept can be found online at:

<https://www.skiweltcup-stmoritz.ch/en/audi-fis-ski-world-cup-st-moritz/covid-19-information/>

All accredited persons will be pre-assigned to an individual colour group / zone in order to prevent individual groups from mixing with each other. The assigned zone may not be left during the entire event. The LOC reserves the right to expel persons who do not adhere to the safety measures from the event area and to withdraw their accreditation.

Each group is defined by a colour as follows:

In particular, these are athletes (incl. forerunners), coaches, support staff, service staff, the closest management of the athletes, FIS, startline judges, camera crews in the start house, finish area and in the leader box (close proximity to athletes).
Blue	All persons involved in the organisation on the track, in the start/finish area or at other locations of the event: volunteers, race officials, emergency organisations, civil defence, army, contractors.
Yellow	All media professionals such as host broadcasters, journalists and reporters from television, newspapers, online portals and radio, photographers, technicians.
